Professional expertise

Intellectual property rights, corporate governance and merger, dispute resolution

Personal Profile

Ms. LI Shan graduated from South China Agricultural University (bachelor degree in applied chemistry) and Northwest University of Political Science and Law (master of law). She used to engage in technology tasks at a third-party test laboratory in Guangzhou, and entered a law firm to start legal services in 2019. During her practicing career, she accumulated precious practical experience in intellectual property rights, company law, labor law, contract management, dispute resolution, etc. Moreover, Ms. LI Shan holds the qualifications of patent agent, securities qualifications, and qualifications of Senior Corporate Compliance Officer.

Ms. LI Shan used to provide the following legal services for large- and medium-sized central state-owned enterprises, listed companies, and private enterprises, including Foshan Electrical and Lighting Co., Ltd., Shenzhen United Winners Laser Co., Ltd., Guangzhou Wanbao Business Development Group Co., Ltd., GLOBAL-ucar Technology Co., Ltd., Guangzhou Guanglan Yiming Electric Co., Ltd., Guangdong Siukonda Airconditioning Co., Ltd., Guangzhou XD High Voltage Electric Manufacturing Co., Ltd.: reviewing and drafting commercial contracts, issuing relevant legal analysis opinions on specific matters in corporate operation and management, establishment of the corporate compliance management framework, legal services for corporate equity investment and merger, providing legal training services, and handling various litigation/arbitration cases of disputes over contracts, intellectual property rights, labor, infringement, etc.

Representative performance

- Represented X Clothing Co., Ltd. in a batch of cases for safeguarding intellectual property rights. In this case, Ms. LI conducted investigation to collect clue about infringement, completed notarization to fix evidence, stopped infringement by sending a lawyer's letter and negotiation, and promptly initiated the infringement litigation proceedings to safeguard the rights and interests of the client.

- Provided specialized legal services for multiple companies in the establishment of the compliance management system in key areas.
- Represented a Pump Co., Ltd. in the case of trademark infringement and unfair competition with Guangdong X Pump Co., Ltd., and achieved the expected results that the court decided that there was infringement and ordered Guangdong X Pump Co., Ltd. to change its name within a specified period.
- Provided specialized legal services for a Foshan listed company and an airport group in multiple equity acquisition, equity investment (capital increase), and other investment and acquisition projects, in which Ms. LI conducted due diligence investigation and risk assessment, participated in negotiation, and drafted relevant legal documents.
- Provided specialized legal services for non-litigation settlement for handling the creditor's rights and debts and dispute over equity interests between Guangzhou X Development Group Co., Ltd. and Shangqiu X Real Estate Co., Ltd., in which Ms. LI provided legal analysis opinions, participated in on-site negotiation, and drafted agreements.
- Represent X Real Estate Co., Ltd. in the case of dispute over borrowing agreement in connection with a real estate project, in which Ms. LI searched laws and regulations, sorted out facts and evidence, and successfully requested retrial to reduce partial principal and interests for the client.
- Represented a public institution in the arbitration case of dispute over contract for a construction project with X Construction Group Co., Ltd., in which Ms. LI sorted out facts and evidence and applied for judicial verification to safeguard the interests of the client, hence reducing partial construction fees and cost claims for the client.
