Professional expertise

Labor law, company law, legal advisor

Personal Profile

Ms. DING Tongxi graduated from the University of Science and Technology Beijing, and mainly engages in corporate advisory, litigation, and arbitration efforts. She used to provide quality legal advisory services for many enterprises, including Beijing Instrument Industry Group Co., Ltd., Redbud-3E Filtration Technology Co., Ltd., Beijing Dahua Wireless Radio Instrument Co., Ltd..

Her efforts include but are not limited to: reviewing and drafting contracts, issuing relevant legal opinions or lawyer' s opinions on external operation and internal management affairs of served entities, delivering lawyer' s letter to relevant recipients with reference to the needs and specific dispute of the served entities, providing specialized legal training services in line with the specific business of the served entities, initiating litigation/arbitration with respect to disputed matters on behalf of the served entities, and responding to litigation/arbitration. During her practicing career, she has accumulated rich experience in practice of law, handled multiple difficult litigation cases to safeguard the legitimate rights and interests of clients, and won the recognition by clients. She is good at corporate advisory services, and litigation and arbitration for contract disputes.

Representative performance
